

Stanwood Camano School District

TO: BOARD OF DIRECTORS
FROM:  STEVE LIDGARD, EXECUTIVE DIRECTOR OF BUSINESS SERVICES
SUBJECT: BUS PURCHASE AUTHORIZATION
DATE: JULY 6, 2021
TYPE: ACTION NEEDED

Lisa Orton, Director of Transportation, recommends purchasing three type D buses (2 route and 1 trip) and two type A buses (1 wheelchair and 1 only seats). As part of this transaction, Lisa recommends to surplus via trade-in five buses from the current fleet, lowering the net cost of the purchase.

According to Board Policy 6210, purchases exceeding \$50,000 require school board approval. The State of Washington provides reimbursement for most of the purchase cost in the form of annual depreciation payments. Since the estimated total purchase cost of these buses exceeds the policy amount, school board approval is required. Below is a description of the buses and costs, less trade-in, including sales tax, recommended for purchase:

2-78 passenger, Bluebird rear-engine diesel route buses, estimated cost \$288,028.92 (\$144,014.46 @ 2)

1-78 passenger, Bluebird rear-engine diesel bus with luggage compartments, estimated cost \$162,273.38

2-Chevy gas powered buses, \$161,305.99 (\$82,882.25, \$78,423.74)

All "yellow" school buses will be purchased with Transportation Vehicle Fund resources that are restricted for this purpose. The cost for school buses is set through a statewide bidding process supervised by OSPI. Five fully depreciated buses from the current fleet will be surplus when the new vehicles arrive.

The estimated delivery date is six months from the order date, so we will process these purchases in the 2021-2022 fiscal year.

Recommendation:

We recommend the board **move to approve the purchase of three Type D passenger school buses and two Type A school buses for a total estimated cost \$ 611,608.29**
