STANWOOD-CAMANO SCHOOL DISTRICT

Message from the Superintendent

This Strategic Plan serves as the compass for the Stanwood-Camano School District. The plan is the outcome of a collaboration among Stanwood-Camano educators, families, community members, students, business and higher education, and civic organizations. More than 150 people were actively involved in the planning process, with feedback from over 2500 individuals total. The development of this plan was conducted between October 2021 and May 2022.

Our Strategic Plan is an expression of our community's alignment on a common purpose, and a reaffirmation of **Our Promise:**

Every student in the Stanwood-Camano School District is empowered to learn in an inclusive setting and is prepared for the future of their choice.

Delivering on that Promise demands the sustained commitment of the entire community to the disciplined implementation of our plan. I am convinced that we will rise to the challenge!
